Importance: High

Francie – The City has proposed 3 dates for a meeting with Doug Linkhart for the VB/I-70 Superfund Site. Can you please check with Martin and let me know which date works for him. Unfortunately, 2 of those dates are on Friday which may present an availability issue for some of our folks. I am not available on 3/22 and I need to be present at the meeting.

Bill, Steve, Jennifer, Richard and Andrea – please let me know ASAP which of these dates work for you. Once we have the date established, I will send out we'll send out an e-vite to get on everyone's calendar. We should probably schedule a short pre-meeting to prepare for the meeting with the City.

Thank you.

Subject: Proposed Agenda for EPA-City Meeting w/Doug Linkhart

Lisa – Attached is a proposed agenda for a meeting between EPA and Doug Linkhart and DEH staff. Tentatively, the following EPA staff would be attending:

Martin Hestmark, Bill Murray, Steve Wharton, Paula Schmittdiel, Jennifer Chergo and

Richard Sisk and Andrea Madigan, attorneys

EPA expects that CDPHE would also attend the meeting.

If you or Celia could proposed some acceptable dates, I will coordinate which dates would work from EPA's end and we can also coordinate with CDPHE.

Thanks

Paula Schmittdiel
